

Transforming Challenges into Solutions

Resilient Solutions Plus, LLC (RSP) is an emerging professional services firm that provides management consulting services and product solutions to federal, state and commercial entities. RSP provides clients with highly qualified and highly skilled resources that possess the relevant knowledge and expertise required to develop and execute solutions in support of short and long term business goals and needs. **As a woman owned small business (WOSB), service disabled veteran owned small business (SDVOSB)** we endeavor to be a trusted partner that helps a global network of clients solve complex business challenges through Operations and Innovation.

We are rooted in our ability to help clients overcome barriers and find solutions to complex business and technical problems. Resilience is what we bring to every client engagement. As an innovative and forward-thinking firm, we work with large and small clients to provide the people, process and technology that help organizations reimagine how they do business.
