Government Contracting News

As reported through the U.S. Small Business Administration, small businesses seeking to grow their government contracting capacity may now be eligible to access up to \$10 million in SBA-backed financing.

This SBA policy change allows businesses to combine their SBA 7(a) and 504 loans. Expanding financing for a small business can help invest in resources needed to support the growth of the business and allows for competing for larger contract opportunities.

Company Updates

We are excited to announce that we are now WBENC certified. This is a big milestone not only for RSP but also for our clientele. This certification will allow us to expand our services further.

A Women's Business Enterprise (WBE) is an independent, for-profit business that is at least 51% owned and controlled by one or more women. Being a WBENC Certified WBE offers networking, mentorship, and educational programs as well as increased visibility and credibility.

Team Spotlight

Recently, Resilient Solutions Plus welcomed two talented interns! Their enthusiasm, fresh perspective, and passion will be valuable additions as they gain hands-on experience and support our mission of delivering exceptional solutions to our clients.

Welcome Our New Interns !

Morgan Pride is a recent graduate of Virginia Tech, where she majored in Biology, and she joins RSP with strong analytical, organizational, and problem-solving skills. Morgan looks forward to learning new skills and exploring different aspects of the business.

Kristin White, is a rising senior majoring in Public Relations with a passion for strategic communications, digital marketing, and brand development. She hopes to support Resilient Solutions Plus' marketing initiatives by creating engaging content, strengthening the company's digital presence, and assisting with communications efforts.

Community Outreach

On June 5, Resilient Solutions Plus proudly made a donation in support of the Prince George's County Special Olympics Maryland Charity Golf Tournament. This contribution reflects our ongoing commitment to supporting organizations that make a meaningful difference in the communities we serve.

Resilient Solutions Plus is committed to building strong communities through meaningful outreach, strategic partnerships, and active engagement. We are proud to support initiatives that create lasting impact and strengthen the communities where we live and work. As we continue to expand our community involvement, we look forward to participating in more charitable, networking, and business events throughout the year. Stay connected with us for updates on upcoming events, partnerships, and opportunities to engage with RSP!

Business Development Corner

Fort Meade Alliance is a regional organization that connects businesses with Fort Meade agencies, prime contractors, and government leaders. They provide networking opportunities, educational programs, and insights into contracting opportunities. If you are in the Fort Meade area, this would be a great organization to join to expand your presence in the federal marketplace.
